Welcome

Windermere Pool is a private swim club nestled away in the Weberwood area of South Charleston built on a foundation of fun, fellowship, and community. You will find there is no better place in the area to swim, sun, and relax or to share good times and great events with family and friends. Come meet some new friends and neighbors or reconnect with some old ones. Relationships are built here!

History

Since 1954, Windermere has been a vital part of the community. Originally intended as a convenient amenity for neighborhood families, the pool has grown into a local tradition. Today's parents are now bringing their own kids to the same pool they grew up with. Over the years, the Pool has seen many changes, but we're still your best bet for spending some quality time with your family, friends, and neighbors in a safe and friendly environment.

About

Windermere is a 501(c)7 non-profit organization that operates and maintains a social club on a cooperative basis with its members. Windermere operates a seasonal swimming pool with a swim team and is available for activities such as fitness programs, family and adult centered special events, leagues and tournaments. Windermere is also available for semi-private & private rentals ranging from birthdays to corporate events.

Who Owns the Pool?

So... to answer the question, "Who owns Windermere?" You do! We all do! Windermere is a membership supported community club, which is managed, marketed and maintained by

the membership on a voluntary basis. Suggestions, ideas, creativity, comments, and compliments are encouraged!

Board of Directors

The business and property of Windermere Pool is managed by an unpaid, voluntary Board of Directors, which is elected by the membership and consists of no less than six (6) members who are elected to three-year terms. See <u>Appendix C</u> for details.

Facility Amenities

By far the biggest attraction of the pool is swimming! Windermere offers a 160,000 gallon pool with a **diving well** with a diving board and a semi-covered "toddler" **wading pool** for small children. The pool deck offers more than enough seating with loungers, (3) tables with chairs & umbrellas for the moments you need to escape the sun. Other seating around the pool area include a **large covered pavilion** with a charcoal grill, (4) picnic tables, (4) tables with umbrellas on the patio, and **a playground**. All options are perfect for gathering and eating some great food. These areas are available on a first-come, first-served basis. The pavilion can be reserved for a small fee.

Since we are talking about food, you are more than welcome to **bring your own food and beverages** onto the ground. We also have a **concession stand** making snacks and drinks available for purchase. Windermere also offers (as available), swim lessons, and hosts many **special events** & social functions during the summer season. Check the summer schedule posted on our website and Facebook page for updates!

Membership Types

The club offers annual membership plans. As a member, you are entitled to use the grounds per the member bylaws and regulations outlined in this handbook. See <u>Appendices A & B</u> for details.

Swim Season

The swim season starts the Saturday of Memorial Day weekend and runs through the Monday of Labor Day weekend, and unlike other Charleston area pools and country clubs, Windermere affords you the opportunity to bring your own food and drinks, *including* adult beverages. Our pavilion is available for the summer tradition of cooking out. You won't find a more affordable fun option in the Charleston area. Windermere traditionally hosts three annual pool parties on the weekend of Memorial Day, Independence Day & Labor Day. As well as hosting movie nights, night swims, and family dance parties throughout the summer.

Hours of Operations

Monday 11:00 am - 8:00 pm Tuesday 11:00 am - 8:00 pm Wednesday 11:00 am - 8:00 pm Thursday 11:00 am - 8:00 pm Friday 11:00 am - 8:00 pm Saturday 11:00 am - 8:00 pm Sunday 12:00 pm - 7:00 pm

*Pool will close for home swim meets at 2:00 pm. Schedule will be posted in advance.

Early Closure of the Facility

Certain conditions, such as weather, swim meets, or fecal release may require closing the pool or the entire grounds early. All members and guests must comply with requests of the club's staff and any member of the Board to vacate the pool or grounds.

Swim Team

The Windermere Wizards swim team is an excellent way to introduce your children to the sport of swimming. Windermere has a long history of producing successful swimmers—just look at the old record board hanging at the entrance to the pool! We have been rebuilding our team over the past few years and have enjoyed new success.

The fee for swim team participation for members is \$50 per swimmer. For members with more than two swimmers, the fee will be capped at \$100. For nonmembers, the fee is \$100 per swimmer. These fees help offset expenses for the team.

Rentals & Reservations

Windermere offers rentals of the pavilion during regular swim hours for small to medium sized parties. The fee for rental is \$100 for 2 hours. All requests are considered on a first-come, first-served basis.

Member Communications

Winderemer uses email, Facebook, Instagram, and even TikTok to communicate with members of the pool. At least one person from each membership must be signed up to receive email, but we love communicating with all of our members. Email is used for official Windermere Pool communications only. We also issue a weekly Newsletter which is sent by email and posted on Facebook. Don't miss out on upcoming events, notice of pool closings, and general recaps/updates of all that's happening at Windermere! Also, we operate a Members Only Facebook Group. Request to join "Winderemere Pool Community Members" at <u>http://www.facebook.com/groups/windermerepool</u>.

Most other relevant information is available on our official website at <u>www.windermerepoolwv.com</u>.

Feedback

As a member, you have a say in how the pool is run. Please feel free to email any member of the board and set up an appointment to talk with us. There are also <u>official</u> opportunities to have a say. Run for board set or sign up to discuss topics at a regular board meeting or meeting of members.

We take our fellow members' experience at the pool very seriously and, as such, we encourage all complaints to be referred to the manager on duty. If you believe your concern is not being addressed please follow-up with a board member. In addition, please let us know how we are doing by emailing us at <u>windermereinc@gmail.com</u>.

Health and Safety

Windermere carefully follows the recommendations for Healthy Swimming, as established by the Centers for Disease Control and Prevention (CDC). However, Healthy Swimming behaviors are also needed to protect you and your kids from the threat of Recreational Water Illnesses (RWIs). Learn more by visiting the CDC's website: <u>www.cdc.gov/healthyswimming/index.htm</u>.

If you or a family member has health concerns, or questions, contact a member of the Board of Directors.

Healthy Swimming

Healthy swimming is everyone's responsibility. Admission will be refused to all persons having an infection, disease, open sore, cold, sore or inflamed eyes, nasal or ear discharge or with any communicable disease.

Remember:

- Supervise all restroom trips.
- Hand washing is particularly critical before eating and after restroom trips.
- Make sure your kids are washing their hands properly, thoroughly and often.
- Stay out of the pool if you have been sick, particularly if you have diarrhea and for 2 weeks after the diarrhea has ceased.
- All kids who have the potential for a fecal accident in the pool are required to wear a Swim Diaper and a Swimsuit. No regular diapers.
- Do not change diapers at the Club anywhere except the restrooms.
- If you are aware of a diaper failure, a fecal or vomit accident or see any fecal matter in the pool, please and immediately notify a lifeguard.
- Take your kids on bathroom breaks often. Waiting to hear "I have to go" may mean it's too late.
- Wash the body (particularly diaper age kids) thoroughly with soap and water before swimming (especially the rear-end).

Failure to comply with the above is subject to the following disciplinary action(s): warning, fine, suspension or loss of membership.

If you or a family member has health concerns or questions contact a member of the Board.

Fecal Release

When there is a release of fecal matter into the pool it will be closed and the water will be treated with chlorine, referred to as "shocking" the pool. This process takes the chlorine to a high level to kill all bacteria. This level is beyond what is safe for immediate swimming. Depending on the temperature of the water and the exact chlorine level reached it can take *days* for the levels to return to acceptable levels for swimming.

Please keep track of your young kids and make sure they are visiting & using the bathrooms regularly. This treatment cost upwards of \$500, not to mention lost revenues and more importantly your fellow members missed opportunity for FUN in the SUN!

Lost & Found

Minor items such as t-shirts, socks, towels, goggles, toys, floats and the like will be placed in the Lost and Found area next to the women's bathroom and the front desk. Anything of major value such as a phone will be stored safely at the front desk in the care of a staff member on duty.

Members have often used the Lost & Found as storage for floats and toys to stay and used by other members of the pool. This is generally acceptable, but please understand that Windermere is not responsible for any lost or stolen property. At the end of the Swim Season, we will have all the Lost and Found items out on display for collection.

Service Obligation

The Pool has always operated on a cooperative basis, depending on its members to maintain and improve the facilities and facilitate many of the day-to-day operations of the pool. Members' time and efforts help keep dues low and make our club a functional, clean, safe, and comfortable place to enjoy. When enough members don't pitch in, Windermere must outsource this work and that increases dues and other fees.

As a nonprofit organization, Windermere is run solely by volunteers with the exception of our lifeguards and pool manager. In order to keep our expenses & dues to a minimum and still continue to improve our facility, we are in need of volunteers to help throughout the year. Some of the ways you can assist are:

- 1. Participate in a scheduled workday
- 2. Commit to one of the important seasonal job
- 3. Complete an occasional job (social or special event)
- 4. Serve on the board of directors;
- 5. Serve our Swim Team by becoming a coach, assistant coach, or volunteering as a timer or finishing judge at swim meets.

Workdays

At the beginning of the swim season, we have at least two clean up days to prepare the pool for opening. Check the website and Facebook page for announcements and schedules.

Occasional Jobs

Project specific jobs mainly consist of maintenance, repair & professional service related items such as painting, plumbing, carpentry, electrical, architecture, landscape, graphic artist or other specialized skills. As these jobs arise an email will go out and they will be posted on the website for sign up. Event specific jobs are necessary to the smooth operation and enjoyment of the clubs social & special events and activities. They include food service, ticket sales, setup & cleanup, decorations, etc.

Swim Meets

Volunteers are essential for the meets. It takes about 30 volunteers to run. Volunteer jobs will be posted on the pool bulletin board weekly. We need your help to make this a successful swim season. On top of making Swim meets a memorable experience for our kids, it is also an advantageous time for fundraising! Strongly consider signing up for one of these.
